M12 X-Code Cable Assemblies

Launch Pack 2020

M12 X-Code Cable Assemblies

Bel's M12 X-Code cable assemblies are available in both M12 X-Code male to M12 X-Code male and M12 X-Code male to an over molded RJ45 male plug. M12 X-Code cable assemblies provide reliable connections with a high performance in industrial environments for Modbus, Ethernet, PROFINET and EtherCAT. These cable assemblies are made with TPE cable jacket to add to their robust nature. Bel offers both Cat5e and Cat6a performance options that can deliver up to 10 gigabit Ethernet. These cable assemblies allow for quick and reliable connections in industrial environments.

Features & Benefits
- Suitable for factory and industrial environments
- Shielded cable assemblies
- Multiple lengths available

Specifications
- Cat6a performance
- IP67 rated
- TPE cable jacket
